In Loving Memory of

Lloyd Eric Larney

17th March 1929 – 24th October 2020

Welcome dear friends here today with me and our son, Michael and our daughter, Kerry, Judy, and our grandsons, Richard, Shaun, Andrew and their families.

Dearest Lloyd arrived into this world at Murwillumbah on St Patricks Day, 17th March, 1929. The third son of Rupert and Kate Larney. He had three brothers, Terry, Jack and Max, and one sister, Glad. Max is now the only surviving member of the family.

The family moved several times before finally settling in Maleny. Lloyd attended Witta school for a number of years. The family moved to Maleny and purchased the home in which Lloyd and I have lived since 1969. Lloyd and I were married, Easter Monday, 6th April, 1953 in St. Paul's Presbyterian Church, Brisbane.

Lloyd purchased the school transport business from his father and Lloyd and I gained many friendships during that time. He became a scout leader with Bob Pointing. We renewed our friendship with Isobel and Phyllis Bryce.

Lloyd was invited to become a member of the Rotary Club of Maleny. An association that he and I enjoyed for so many years. The theme for his year as President was "Real Happiness is Helping Others".

Being a member of the RSL Club of Maleny was also a long term and happy association for both Lloyd and myself.

The Maleny State Emergency Service, the Maleny Show Society, and the early beginning of the Maleny Bush Fire Brigade were some of the areas in which he became interested. He was Deputy Fire Warden with Tom Malone.

When Isobel and Phyllis Bryce decided to give their property to the Uniting Church for the establishment of a retirement village both Lloyd and I became members of the committee. Eventually Lloyd became Chairman. We spent many years devoted to Ben Bryce Park Retirement Village. We enjoyed the company of the many volunteers. When Lance Tainton and crew were building the church, Lloyd was never afraid of heights, as Margaret Pow said "up in the high parts of the ceiling".

Lloyd welcomed with love to the family Richard's wife, Vicki, Andrew's wife, Kaycee and our GREAT GRAND CHILDREN - Breanna, Jack, Lola, dearest Louie (who was born sleeping), and Macie.

Something which may surprise you was his love and enjoyment of music and singing of the operas – The Tenors and watching Andre Reiu concerts. Our wonderful weekends at Ballendean and the Operas in the Vineyards and the hospitality of Angelo and Mary Puglisi.

Lloyd loved his garden especially growing pumpkins and snow peas. He enjoyed a game of bowls and watching cricket, and most certainly a game of bridge. We spent many late nights in the company of special friends, Peggy and Phil Ruddle, Men verses Ladies.

The past few weeks had not been comfortable for Lloyd. The care and love given to him whilst in Beech Lodge from the dedicated carers has been just so wonderful and they treated Lloyd like one of their own.

Thank you to family and friends who have travelled distances to be here. Thank you for the many cards and thoughtful messages, the beautiful flowers and the delicious meals which we have enjoyed. The caring visits were so helpful and not forgetting Jared who has kept Kerry on her toes.

Thank you to Dr Shane Luland for his wonderful and professional care of Lloyd during these difficult years. The caring ambos, the taxi drivers, Bruce, Andrew and Sharon. Our very special neighbours, Shirley, Jared, Tristan, Bill and Mary. Last but certainly not least Rev Liela Hoffman, who has helped us with just everything to make this celebration one so endearing for Lloyd's family and our many dear friends of the church family and Maleny friends.

A beautiful life has come to an end. He died as he lived everyone's friend, a cheerful smile, a heart of gold. The dearest person this world could hold. Rest gently darling, you will be missed.
